Greetings, Randolph Public Schools Parents and Guardians,

We're off to a great start to the school year and I want to thank you for entrusting your most prized possession, your children, to us. We take special interest and care in all of our students at Randolph Public Schools and are honored to welcome them back to school for the 2016-2017 school year. It is our privilege to be able to work with you to ensure that our students are receiving an education that is preparing them to compete globally.

We truly thank you for supporting each of our schools - **Randolph HS (Level 2); Randolph MS (Level 3); Donovan ES (Level 3); Lyons ES (Level 3); JFK ES (Level 3); and Young ES (Level 3)**. It is my primary objective, with your support, that all of our students – your children – will continue to grow and be challenged by high quality instruction in every classroom. I encourage you to take the opportunity to visit your child's school and be a partner with us in the educational process.

This week students were welcomed into buildings that were clean with staff ready to engage them in the learning process. In my school visits I saw some excellent interactions in a variety of subjects that focused on critical thinking, effective decision making and teamwork. Most exciting is being able to transport eligible students to Randolph Community Middle School with our new buses. After almost 10 years we reinstated bus service to all middle school students who live beyond two miles. This was a great sight to see bright new buses with Randolph Public Schools across their sides.

Parents and Guardians you should have confidence in knowing that your child is safe and is in a caring environment. It is our priority to address the needs of all students, both academically and socially emotionally. As academics support are provided there will be resources to address other needs as well. Two-way communication is critical so please share any concern with your child's school as inappropriate behavior, including bullying, will not be tolerated in our schools.

I look forward to seeing each of you throughout the school year. Please visit the RPS website: www.randolph.k12.ma.us to stay informed of the many exciting things happening in our schools.

With Randolph pride,

Thomas Anderson
